

The background of the entire image is a dense arrangement of tropical foliage. Large, dark green palm fronds are the most prominent, with their long, parallel leaflets creating a strong diagonal pattern. Interspersed among these are several large, dried, brown leaves, including a prominent Monstera leaf with its characteristic holes. A delicate, light-colored fern frond is visible on the left side. In the center, the word "DRINKS" is written in a large, white, sans-serif font. This text is enclosed within a gold-colored, double-lined geometric frame that has a series of small triangles at its corners, giving it a modern, bohemian feel.

DRINKS

A white botanical illustration of a sage plant is positioned above the brand name. It features a central stem with several pairs of small, opposite, pointed leaves. At the top of the stem is a small, elongated flower spike. The illustration is detailed, showing the texture of the leaves and the structure of the inflorescence.
